From the Desk of Jesse K. Thorpe, General Manager

Dear Members,

As we continue to enjoy a return of some of our operational capacities impacted by Covid-19, I would like to take a moment to thank you for your patience and understanding while we work through the last vestiges of this pandemic and its affect on the Club. It has been a difficult and interesting year. Frankly, even now we are feeling residual impacts of the pandemic, as continued financial stimulus has impacted the job market. You will start to see some new faces as we bring in some new staff members to join our family. Please help us to make them feel welcome.

I also have to give a huge thanks to all our staff who have worked so hard to get us through these circumstances. Our staff has been resilient, dedicated and creative in providing services and amenities through some unique challenges. Adapting to these situations has revealed how wonderful our staff members are. I am truly grateful for all these outstanding people. I hope you might join me in telling them how wonderful they are.

Please watch for the updates that will be coming. As we ramp up again, we are closely watching for the right moments to revise our operations. I know it has been a long road getting here, and we still have a bit of road to travel yet, but we are getting to the end.

Jesse K. Thorpe CCM, CCE GM/COO

Tips and Techniques from Pastry Chef Jim Guzzaldo

Baking Technique #8- Muffin Method

The muffin mixing method is perhaps the most basic baking technique. You likely have used this method before, as it is used to make such common goodies as pancakes, muffins, and banana bread. Follow along with my recipe for muffin mix to make your own blueberry muffins for Easter brunch!

The Technique

When mixing products using the muffin method, wet ingredients are combined (often including sugar), and dry ingredients are sifted separately. The wet ingredients are then added to the dry ingredients all at once, and the batter is mixed until just combined, often left a little lumpy even. The main objective in using the muffin method is to combine the ingredients without over-mixing. If over-mixed, too much gluten will be developed from the flour, and the resultant product will be dense and heavy, with elongated gas tubes, known as tunneling. Thus, muffin mixes are minimally mixed, and a weak flour such as cake flour is generally used.

Scan the QR code to see Chef Jim's online baking technique.

MGA News...

Thank you again for your kind and generous support of The Rally. Our MGA team generated just over \$17,000 in contributions. The MGA had 44 participants for our Rally Golf Event. Golf, other MGA sponsored events and generous donations from our MGA members made these new efforts an overwhelming success.

Twenty-two individuals met or exceeded the Super Donor contribution level and will receive a special Commemorative Pin.... Thank you! Those who did so may collect their pin by visiting Sara at the front desk. Those wishing to purchase a Commemorative Pin please contact Rayzukowski82@icloud.com.

A special thanks goes out to Mark Hofmann, Bob Campione, Brad Myers, Gina Hull, & Jesse Thorpe for being such good sports in volunteering their services and making our auction a fun event.

We would like to thank Joe Rossheim at U Name It Design & Graphics for donating the custom trophy that will be proudly displayed at Hammock Dunes for decades to come.

We would like to pay a special thanks to our LGA partners with a special callout to Maggie Balzarini and Suzanne Deroche for helping partner with the MGA to make this a great event. Your thoughtfulness, creativity, and teamwork helped drive our success... We look forward to continuing our collaboration for future events.

Last but not least we would like to thank PJ Conniff for undertaking this monumental challenge in coordinating The Rally throughout our Club.

Hope to see you on the range.

Golf News

News from the Golf Shop..

Fantastic Club Championships!! That is some of the best play that I have seen at the club level. Through bad weather and overcoming tough situations, everyone exhibited the true competitive spirit of Hammock Dunes. Thank you for helping us to determine the best players in the club. I hope that all of you who participated feel that you played better than you did in the championship in 2020.

April is traditionally partner event month. The Men's Dunes Challenge is scheduled for April 22-24. The Women's Member-Guest has been forced to take a break this year with our Covid protections, but the ladies are working to replace the event with some form of social event that we think you will love. Stay tuned for communications regarding that.

If you are looking for an instructional clinic, I have a couple for you in April. Both are at the Links range. The subject of the April 3 Clinics is Putting, and they are at 10 a.m. and 1 p.m. The subject of the April 17 clinics is Full Swing, and they are at 10 a.m. and 1 p.m. Signup by calling the Links Shop at 386.446.6222. Groups are limited to 6 people for virus protection. Please see advertisement in this edition for more details.

If you have not had a chance to try the new Trackman radar system, I will be out there with it on Wednesday the 14th and Wednesday the 28th from 2:30 p.m. to 3:30 p.m. Come out and see me.

We hope to see you on the course soon. Thank you.

News & Notes

*Ladies
Social Group*

To all my Beautiful Ladies,

The year's been hard but we struggled through,
Despite Covid chaos we found things to do:

There were Cookies to ice, and wine to taste,
We even tried the hula, it was hard on my waist!

Normal days beckon, they'll soon be here,
With friends and laughter, things we hold so dear.

So take heart my Ladies, I say with a smile,
We'll pause our activities for just a little while.

The Prez says:

LSG will pause activities 'til the Fall. We'll be back though with lots of fun things to do: Cooking Classes, Wreath Making, Orchid Lunch, Wine Glass Painting, are just some of the things I am planning for our New Year! See you soon,

Book Club

Book Club plans its first pandemic-era meeting on Wednesday, April 21 at 10 a.m. on the Tavern Patio. The topic of discussion will be attendees' favorite reads during the time of Covid. Attendees are invited to come prepared to give a brief review of their favorite(s) and to participate in the discussion. We will have plenty to talk about after all these months!

The morning meeting time is to best ensure a quiet space prior to the Tavern opening at 11a.m. The outside location is intended to help everyone feel comfortable talking to one another. If any questions, contact Carol.

Many Thanks...

In the past few months, the Covid virus caused many challenges in our lives. During this time many things changed but one thing remained the same...the caring and compassion of our Hammock Dunes friends and neighbors. When we were infected with the virus, friends shopped for us, prepared food, sent encouraging cards, called often to ask what they could do and most importantly prayed for our recovery. We are very grateful and so proud to be part of the Hammock Dunes community. Our heartfelt thanks to each of you.

Linda Minger and Robert Trent

A Member to Watch!

Jack Rossheim finished up his Winter tour with US Kids Golf in Jacksonville, with their Tour Championship at Jacksonville Beach Golf Course. He finished 4th out of 11 in the 11-year-old age group, with a 78, his first sub 80 tournament round. Overall, on the season he finished 5th out of the 18 young men that competed in the 11-year-old age group. Jack has made incredible improvement by cutting 30 strokes from his game since starting tournament play only 10 months ago. Under the watchful eye and fantastic coaching of Gina Hull, look out for great things from this young member!
