From the Desk of Jesse K. Thorpe, General Manager

Dear Members,

The hot topic of conversation is related to getting the vaccine for the virus. Many have been able to receive the first doses, quite often by traveling to Orlando area facilities due to vaccine availability in Flagler County. As noted in a recent update, we anticipate being able to work with county officials to have some availability of vaccines here at the Club in March. I know no specific details at this time and we are not taking appointments or sign up lists. In the end, it will be up to the county to decide the specific details. As soon as I have those details, I will communicate them to all of you.

I encourage everyone to continue to review all Coronavirus updates sent by the Club. The most recent updates will indicate existing protocols at the Club. As a reminder, please note that we continue to ask that all who wish to dine at the Club make advance reservations. Rick's Bar at the Tavern has very limited seating for food service, and once filled we typically do not have any additional walk-in seating, especially on busier nights. And, as a reminder- unless you are seated to eat or drink in one of the dining rooms, you must be wearing a mask. We are not permitting events or activities when individuals stand and consume beverages while interacting socially, especially indoors.

While I am sure all are as frustrated as our staff is with the continuing modifications to service required by the pandemic, please hold on as we all await the time when we can move past this. I am afraid there is not much any of us can do to expedite this.

Thank you for your continued support as we work through the challenges brought on by this pandemic.

Jesse K. Thorpe CCM, CCE GM/COO

THE RALLY has always been special at our Club showcasing the generosity of our club members supporting organizations such as the American Heart Association and Susan G. Komen over the past 16 years. For the first time, in 2021 THE RALLY, our Club's biggest fundraiser, will keep the money raised in our own community. How cool is that!

- Hammock Dunes Cares (a 510c3 which supports our local community) is hosting THE 2021 RALLY.
- The money raised from THE RALLY will stay WITHIN THE GATES benefiting the Employee Relief Fund.
- Employees are eligible to apply for a grant which is reviewed by the Hammock Dunes Cares Grant Committee—funds are paid directly to creditors/vendors on behalf of the employee for all grants awarded.
- Join one of the many FUN fundraising events which are organized by a committed team of Event Chairs—Covid protocol rules apply during all FUN Fundraising events.
- Drop off or mail-in your Event registration form with your accompanying check. Your Event Chairs will be notified that you want to join in the FUN and will contact you with more Event details.
- Checks should be payable to Hammock Dunes Cares with THE RALLY written on the memo line—checks and Event registration forms can be mailed to the Club at 30 Avenue Royale or dropped in the slotted wooden box in our Club main lobby.
- Our goal is to raise \$50,000 to replenish the nearly depleted Employee Relief Fund. Give until it feels good (even if you do not wish to participate in the Events). Whatever you are comfortable donating is deeply appreciated and will be handled with care.
- Questions and comments can be sent to the THE RALLY Chair, PJ Conniff at pamela.conniff@gmail.com.

What better way to begin 2021? Let's take care of each other.
It's time to RALLY!

Tips and Techniques from Pastry Chef Jim Guzzaldo

Baking Technique #6- Valentine's Day Truffles (with an explanation of emulsification)

A basic truffle is a ball of chocolate ganache encapsulated by chocolate and coated in cocoa powder. Chocolate ganache is a common bakeshop emulsion, further explained in my linked column accessible through the attached QR code.

To make ganache, cream is brought to a boil, poured over chocolate coins or pieces, let to sit for five minutes, and then gently stirred to make a smooth, uniform, and glossy mixture. While this procedure is simple, it must be strictly adhered to or the ganache will suffer in quality. With inadequate rest time, the chocolate will not be completely melted, leaving grainy or chunky chocolate particles in the ganache. Mixing too vigorously or whisking the ganache will incorporate too much air into the mix, which can also produce a grainy texture, or cause the ganache to crack or “break” the emulsion (fats will separate from the mixture). With proper technique, though, a quality ganache is very simple to make.

Recipe - Valentine's Day Truffles (Makes 12-16)

Ganache: Heavy Cream ½ Cup Chocolate 4 oz

Bring cream to a rolling boil (watch it doesn't boil over).

Pour cream over chocolate in a glass or stainless-steel bowl, give a couple very gentle stirs.

Let sit 5 minutes.

Gently stir mixture, starting in the center and working outward, slowly incorporating the hot cream into the chocolate mixture.

Once completely smooth and uniform, transfer to a small dish or bowl that allows ganache to reach a 2” depth, refrigerate overnight ideally, or until the ganache is fully set (at least 4 hours). Remove ganache from refrigerator, scoop into balls using a spoon, melon baller, or sorbet scoop. These can be any size, but just under a tablespoon is a good place to start. Gently roll balls in your hands to make as round as possible, return to refrigerator for at least 30 minutes. Gloves help to keep your hands clean and to insulate the chocolate from the heat of your hands.

Melt additional chocolate (4 oz). If your chocolate is not very fluid when melted (it should be more like syrup than mayonnaise), add vegetable oil to thin it, adding 1 tsp at a time until the chocolate is at a good consistency.

Place ¼ cup cocoa powder in a shallow baking dish or bowl.

Remove ganache balls from the refrigerator. With gloved hands (unless you want an absolute mess), smear a small amount of chocolate into the palm of one hand, roll one ganache ball between your hands to coat in the chocolate, and drop the ball onto the cocoa powder, roll the ball into the cocoa by gently shaking the dish. You have made your first truffle! Complete the process with all your truffles. When dipping and rolling the truffles, try not to touch the cocoa powder with your chocolate coated hand, or it will become a gloppy mess. If you don't have gloves, or just want to keep your kitchen and yourself neater, you can use a fork to dip the truffles in the chocolate. This will keep your kitchen neater but will make your truffles sloppier. Given the option, I will always go for a sloppy kitchen with tidy truffles, but you do you.

Store truffles in an airtight container. At room temperature, they will last 3-4 days, or in a refrigerator for 2 weeks, although the quality will suffer in the refrigerator.

Golf News

News from the Golf Shop..

2021 is here and we are excited for the challenge. Excited that at some point this year we will get the virus under control and we will return to tournaments and golf cart usage as we know it. Last year at this point on the calendar I thanked the membership for the number of rounds that were played in 2019 (41,170 rounds). That had been one of the best years in recent memory for the club in terms of rounds. Well, for 2020 you topped that by almost 5,000 rounds to set a record for the number of rounds played. As a side, that number was achieved with the Creek Course being closed for two months in the spring with pandemic limitations and another three weeks for rain and flooding which either closed the course or reduced it to "Cart Path Only" status. Thank you.

Shop Merchandise. As I reported earlier, the PGA will not have a PGA Merchandise Show in Orlando this year due to the pandemic. That does not mean that there will not be some new great releases from the club companies and fashion lines from the clothing manufacturers. Debbie will be reporting to you what she finds in the way of new clothing and we will do our best to get the new club product in your hands by way of demo days. You may see us do marketing events that you have not seen before (e.g., shoe demo days on the range, vendor fashion events, etc.) As a result of the virus, most of the club companies are asking us to keep social distancing as a priority in these events. We will be booking appointments more often in these events. We would rather not have to do that, but it is one of the requirements that they are asking for in terms of safety and their liability. With all the golf everyone is playing it is probably the best time in years to look at upgrading your equipment. Not only is your old equipment putting you at a competitive disadvantage, but you should have a great feel for your game and be able to note serious enhancements to your performance made by new clubs. Stay tuned for emails as these events are scheduled.

Tournament Schedule. We are planning to move forward with as many tournaments as we can in these unsettled times. Please mark your calendar for these scheduled events:

February 4 - MGA Players' Pool

February 7 - Valentine's Mixer Tournament

February 10 - LGA Masters' Challenge

February 24 & 25 - Hammock Heart Rallies for Women and Men ****NEW EVENT****

February 26 - Men's Club Championship Flight Qualifier

New Staff: I hope that all of you have had the opportunity to meet Todd Bleidner PGA. Todd recently joined our professional staff, and he is proving to be a great addition. Todd has most recently taught for a year at Golf Made Simple in Palm Coast. Prior to that he was Head Golf Professional and Director of Instruction at the Powder Horn Golf Club in Sheridan Wyoming. He also had tenures at Three Crowns Golf Club in Sheridan Wyoming and Sonnenalp Golf Club in Edwards Colorado.

If you see Todd please welcome him to Hammock Dunes.

Prepaid Greens Fees: As almost everyone is aware, due to the pandemic and as a safety precaution we have had to limit our guest play at the club. With that, we had many Pre-Paid Guest Voucher Green Fees that were purchased early in 2020 that were never able to be used. The Board has directed us to extend the expiration date of those vouchers to May 31. We will also be offering new vouchers for purchase through March if you feel that you need additional vouchers for 2021.

Practice and playing does not make perfect. Perfect practice makes perfect. Hitting thousands of balls everyday with bad technique is not a good thing. Are you building a fundamental foundation in your swing and short game to take advantage of all the playing that is occurring?

Take a lesson. Your pros are here to help you.

How do you break 50 for 9 Holes of golf?
By Justin Adams.

To break a score of 50 for 9 Holes of golf, the golfer should:

1. Use newer golf clubs
2. Spend more time on the short game
3. Memorize club distances
4. Play high percentage shots
5. Be lazy and swing easy
6. Love the putter
7. Develop a routine for every shot

What is a score of 50?

Most golf courses have a "total par" score of 35, 36 or 37 for 9 holes. This means that if you got a par on every hole on a par 36 course, you would have shot a 36. Pretty self-explanatory, I know!

This means that golfers who are shooting above 50 for 9 holes are shooting an average of 2 strokes over par.

How many times have you hit an unnecessary shot or made a small mistake that led to extra strokes on a hole? If we can avoid even just one of those strokes, we are on the right path towards breaking 50.

HDLGA News...

Happy February! The LGA Board met in early January to sync all calendars, events, ideas, etc. post holidays. As previously shared, the LGA and MGA groups are working closely to streamline operations. The idea here is to better serve both Golf Memberships while adhering to the Club's Core Values of *Stewardship, Respect, Customer Service, Community, Integrity And Passion.*

For instance, as it relates to the Customer Service value, we plan to provide very professional, concise surveys to the Membership several times throughout the year to ascertain what is working and what could use some more work! Our Members ARE our Customers! We want to serve well!

Last month's events were well-attended and very fun. The HDLGA Memorial Charity Tournament was well attended with 39 participants who golfed in brisk temperatures to honor past Members ("Angels") who have passed.

This month offers an array of events for Members of all levels! Be sure to contact the Golf Shop to make your reservations. Enrollment may be limited to adhere to the State's current health and welfare guidelines. Look for the **LGA Masters Tournament on 2/10 and The Rally Golf Event on 2/24.**

Nine hole play is increasingly in demand and the LGA Board recognizes this need. We will be putting forth more organized 9-hole opportunities in the Spring with health and welfare guidelines permitting. At present, there's LGA 9-hole group play on **Ladies' Day Wednesdays.** In addition, the **Hack n' Snack 9-hole group** plays on Tuesdays each week and alternates between the two courses. Check it out and have some fun!

Keep your chins up and your heads down out there, Ladies! Let's continue to support our friends and neighbors with respect and kindness as we look forward to an action-packed year!

"Social distancing is strictly encouraged during play."

Book Club

Book Club has reluctantly decided to delay meetings until the fall of 2021. Although we had thought we would begin our meetings again in January 2021, most of the regular attendees prefer to wait until we are well past Covid spread. In the meantime, please keep reading and sharing your favorite titles with friends.

So, until then, happy Thanksgiving and Merry Christmas. Any Questions? Call Judy Walters at 446-5542.

Audubon Corner...

It is North Atlantic Right Whale time, and we are so fortunate to be able to see them right off our beach. These critically endangered whales come south to the coastal waters off Florida and Georgia to birth their calves. At the beginning of this season there were only 360 of these whales counted. They may be sighted from November to April.

Three of them were off our beach on January 9. A Mother calf pair, Chiminea #4040, who is 13 years old, and her first calf, born December 4 off the Georgia coast. Another adult and many dolphins were along with the pair heading north. One of the world's largest whales, an adult can weigh around 100,000 lbs. and can be 50 feet long.

So, grab your binoculars and good luck sighting. If you do have a sighting please call Marine Resources Council's Right Whale Hotline 888-979-4253 or our own Sharon Ralston, team leader for our area, 313-333-7344. For more local sighting pictures and information google Marineland Right Whale Project.

Welcome Michelle Liedtke! – February 1, 2021

We are excited to introduce to you Michelle Liedtke, our new Food & Beverage Director. Michelle has a diverse background in the industry, including several years at Nobu in Las Vegas and most recently at Hammock Beach Resort as their Director of Banquets. She will be overseeing Food & Beverage operations at the Club with an emphasis on the hiring and training of our staff. We are excited to see the positive improvements she will make and are excited to have her on our management team.

Michelle has 3 daughters (Anjelica, Adrianna, and Amelia) and 3 doggies (Ramone, Caesar, and Stella). She is passionate about cooking and loves to practice yoga, but time spent with her family is most important. Her parents, as well as other family members, live locally so she is fortunate to get lots of time with loved ones when not working.
