# From the Clubhouse

## From the Desk of Jesse K. Thorpe, General Manager

Dear Members,

It's January, and Yes, it is time for me to express thanks for many things ...

Thank you to all who were so generous and contributed to the Employee Holiday Fund, and to those who provided gifts to employee children. Your kindness demonstrated to our staff and their families is a big part of what makes Hammock Dunes a great place for people to work.

Thank you for your continued patience while we work through the renovation/expansion process. As a membership you have been really supportive, using the Club more than ever this last year, even though we have been in a constant state of change. Kudos to all. Like you, we are looking forward to the completion of the project and getting back to "normal"; and a new normal it will be.

Thank you to the many volunteers who serve on the Board, on Club Committees, and in organizing and leading the many "clubs within the Club" that we enjoy. It makes the social aspect come alive.

So in general, thank you!

We look forward to seeing you in 2019, as we have enjoyed serving you in the past. On behalf of the staff, I would like to extend our wishes to all on a Healthy, Happy and Prosperous New Year!!

*Jesse K. Thorpe CCM GM/COO*

## Food & Beverage Happenings

### Thank you.....

Now that we have made it through the holiday season and can come up for air...Thank you. On behalf of the entire staff, we would like to thank you for your generosity and support of the Club in 2018. Without you, the members, we would not be here. We enjoy what we do and always strive to do our best no matter what the situation.

I hope all of you are as proud as we are to be part of the Hammock Dunes Family. Chef Lance and his team have done an incredible job over the past year and a half of elevating the quality of food, consistency and offerings. Look for more to come in 2019, it's going to be an exciting year.

### To Go Boxes.....

To Go boxes on buffets were discussed at a recent Food & Beverage committee meeting and whether or not they should be allowed. Buffets are intended to give a large variety of food at a reasonable price, while dining at the club. The F&B Committee unanimously agreed that To Go boxes should not be permitted to be given to members attending a buffet unless a member would like the full buffet to go. The recommendation was approved by the Board last month and will take effect January 1, 2019.

### Wednesday Night Dinner.....

Originally, we anticipated the new Bar opening the end of 2018.....now that we are in the end of 2018 and looking at a later opening date, we are moving forward with some of the additional offerings that we planned for. One (1251) of those is opening on Wednesday evenings for dinner. Starting February 6, 2019, the Links Clubhouse will offer dinner service and Early Bird deliveries Tuesday-Sunday. Please call Sara to make reservations for Wednesday night dinner!

## FROM THE KITCHEN

When a New Year approaches, resolutions are made to lose weight, eat better, exercise more, etc. Some people restructure and veer to a low-carb or no carb diet. Although reducing carbohydrates may result in weight loss there are some serious side effects from cutting them down or out of a diet. Some early side effects are: intestinal problems, headaches, bad breath, muscle weakness, rashes. Other side effects from longer restrictions of a low-carb / no carb diet are: memory loss, neurological problems, further intestinal issues which could potentially lead to cancer. Higher protein levels without the balance of carbohydrates in the diet can lead to painful arthritis, kidney stones and an increase in the risk of osteoporosis.

Being in the industry for 25+ years and always being concerned with nutrition, everything should be eaten in proper balance. Exercise is the best answer to weight control. If you feel you overindulged, you may feel the need to walk/run that extra 1/4 mile.

Have a Happy (and Balanced) New Year!

Lance S. Cook, CEC, CCA, CFBE, FSM – Executive Chef

## Frost & Fog Delay Tee Time Policy

On mornings when starting times are delayed due to frost, the following policy will be implemented:

In the event of a delay all tee times will be moved back an amount of time equal to the duration of the delay. Play will commence when it is determined by the maintenance staff that the course is prepared for play after a frost delay. It is imperative that rescheduled groups be at the tee and ready to play when called.

The HDLGA thanks the Hammock Dunes community for their support of Christmas Come True. A huge thank you to PJ Conniff and her team which included Judy Wiginton and Deanna Springfield for a hugely successful Christmas Come True charitable event. This is the first year that Hammock Dunes has supported this 501 (c) (3) local charity and the chair and her committee did a phenomenal job!

Besides all the individual gifts under the tree, wishlists for over 75 underprivileged children were fulfilled and over \$8,000 collected to provide Christmas dinners for those in our community who might otherwise go without. Your generosity has created a truly special holiday for Flagler County children.

Thank you so much for all you have done!

Julie Cook will be chairing the golf rally this year. Forms are in the pro-shop and the locker room and should be sent with your check to Carol Rabinovitz before February 15.

As usual, forms for the Valentine Promotion will be in the Men's Locker Room at the Links.

If you are simply donating, any time until March 1 will work. Roger Lacallade is chairing the Men's Promotion again this year.

## HDLGA News...18 Holers

Submitted by Kimmie Wise, HDLGA Vice President

Wrapping up 2018, Mother Nature sure did her part to make us feel festive for Christmas Come True. PJ Conniff and her committee did a great job organizing and over 80 golfers bundled up for this wonderful charity. Congratulations to the winners, who had bragging rights for a whole week before 15 Santas took to the Creek with all their lovely elves. Debbie Ignatuk provided a beautiful day, a delicious lunch, and a sleigh full of fun!

Our first event of 2019 is the Memorial Tournament on Wednesday, January 9. Please come out to remember those who are no longer with us. Mary Jane Lefebvre is once again chairing this very special day.

The following week, January 16, is the halfway point of our season. Hospitality chair Abbe Hirschler has planned a "Tickle Me Pink" morning of golf followed by lunch and a brief mid year meeting.

Don't forget about our regular Wednesday play days and also an interclub at San Jose on Tuesday, January 29. It is not too early to be thinking about a partner for this year's Member Guest. Sign ups begin this month for the tournament April 3-5.

Other dates to keep in mind: February 6 Masters Challenge; February 20 Hammock Dunes hosts Interclub, and February 27 Hammock Heart Rally Golf Day.

*Happy New Year. Make it a great one on and off the course.*

## Pros Corner...

### The Drop Shot

The drop shot is probably the least most practiced shot in all of tennis even at the pro level. It is fun to do with a friend and one of the ways to have a good target and hit with lots of slice and control is to have a friend sit in a chair about three feet from the net just inside the inner sideline and you try to hit drop shots into the lap of your friend on the other side of the net, so they can catch them easily.

To execute a good drop shot you need a continental grip which is the grip making the V right down the middle which you use for slice and overheads. If you are not an experienced player choke up on the grip about one inch from the bottom, so you have great control of the racquet head and the face of the racquet.

The head of the racquet should be raised up above the wrist and the face slightly open and laid back to produce slice. Take a short backswing with an upward movement of the arm and racquet with a very firm wrist and come down the back underside of the ball using a sideways “J” means you start above the ball and then curve the racquet face slightly underneath the back side of the ball to impart the backspin so that ball stays low and does not go very deep.

The speed of your swing will depend a little on the speed of the ball coming at you but the best way to first practice is to drop the ball on the ground and bounce it slightly above the waist and a little in front of you so that you move forwards to the ball and try to make contact slightly above the net or at net level.

A good drop shot will bounce at least three times before the ball goes past the service line. If your friend in the chair cannot easily catch the ball and is ducking to get out of the way, you need more practice.

## Opera at Hammock Dunes

**January 10**  
**from 4:00 - 6:00 p.m.**  
**Verdi's Otello**

The Opera is set in late 15th Century Cypress when the island was a Venetian dominion. The moor Otello, the island's Governor, returns victorious from a battle with the Turkish fleet. His ensign Iago loathes the moor because Otello has promoted Cassio, Iago's platoon leader, to the rank of captain. Convinced that Otello has promoted the ambitious Cassio over himself, Iago plots to destroy both Cassio and Otello by convincing Otello that his wife Desdemona is unfaithful, and Cassio is her lover. The opera's libretto is based upon Shakespeare's tragedy of the same name. Otello: Placido Domingo; Desdemona: Renee Fleming; Iago: James Morris From The Metropolitan Opera in New York City, 1996.

All are welcome. The opera begins promptly at 4 p.m. in the Boardroom and there will be an intermission. Please remember to arrive early and enjoy a glass of wine or champagne before the opening curtain!

Presented by:  
Malfrid Dutemple - 446-8565  
& Baerbel Puritz - 445-8737

As always, after the final curtain and applause quiets down, please consider staying for dinner. Call today for reservations ~ 445-0747

## Book Club

Plan to join the first book club meeting of the new year when we consider the 2018 Pulitzer-Prize-winner for biography about the beloved author of the Little House on the Prairie series, Laura Ingalls Wilder, written by Caroline Fraser, editor of the Library of America Little House series.

PRAIRIE FIRES: THE AMERICAN DREAMS OF LAURA INGALLS WILDER fills in the gaps in Wilders' biography. Intricately researched manuscripts, letters, diaries, land and financial records reveal the true story of Wilders' life, often more harsh than her stories. The biography is described as "one of the most astonishing rags-to-riches episodes in American letters" and "occupy[ing] a curious space between national mythology, self-reinvention and truth". In the end, it is a gripping story about a complex woman whose classic stories grip us to this day.

Join us in the Board Room at 3 p.m. on Wednesday, January 16, when Vi Drexler will lead our discussion. All Hammock Dunes Club members are welcome. If there are any questions, contact Carol or Pat.

## Audubon Corner..

Cedar Waxwings, one of our winter visitors, are only 7 1/2" long, they have a bandit like black mask and waxy red appendages on the tips of their wings at maturity. Males and females look alike. These birds are groupies, loving to move in flocks. Migration and their movements are nomadic and unpredictable in pattern wandering to find food. They LOVE berries [85% of what they eat] and cones of the Cedar tree when available and insects when they are not. They feed in flocks but are different than other flock birds. Instead of everyone for himself, they share. They settle in the top branches of a tall tree. The flock, then taking turns, rotates in and out of the food source in groups of five to ten birds. They bathe in the same rotating manner and groom each other. Mating is late in the season to take advantage of the abundance of fruit in the Fall to feed their chicks.
