From the Clubhouse

From the Desk of Jesse K. Thorpe, General Manager

Dear Members,

As you might have noted, with the installation of the children's playground adjacent to the pool, the recent summer camps and some of the newly calendared events, the Club is putting its foot forward in expanding programming for families with younger children, and of course, for the grandchildren of members as well. I know we are always looking for opportunities to expand our grandchildren's horizons and wear them out so they get a good night's sleep. My father used to have a huge yard and long driveway that needed either mowing or shoveling. He later confided that it was by design, to keep ahead of four sons, and to tire us as much as possible.

At any rate, starting Tuesday, October 1, 2019, I am pleased to announce that we will be holding after school sports activities Tuesday- Friday from 3:30-4:30 p.m. Member children and grandchildren are welcome, and, at least for the time being, they are welcome to bring a friend. That might change later, but to get things started, each may bring one friend. There is no charge for the sessions.

The activities are for children age 10-17. Tuesdays are at the Tennis Courts, Wednesdays at the Driving Range, Thursdays at the Pickleball Courts and Fridays are with Walter in the Fitness Center. To sign up for any session, members are encouraged to use the Mind/Body App, currently in use to schedule fitness classes. This will be the only method for sign-ups. If you do not have the App, please contact Sara Wolken, our receptionist for instructions and assistance. Please note, only Club Members may access the App and sign up for classes.

As time goes on, we will offer more things for family enrichment at the Club.

As a reminder, as members return to town in the coming months, using the Mind/Body App for classes, and making reservations for dining will become increasingly vital to make sure you are taken care of. We have been busy through the summer in all areas, and if you simply walk-in you might not be accommodated as quickly or in the manner you desire. We love the increased utilization our members have made of the Club's facilities and want to assist as many as we can as the season progresses.

Meanwhile, safe travels!

Jesse K. Thorpe CCM GM/COO

FROM THE KITCHEN

Mushrooms are plentiful this time of year. They are available year-round, but their peak season is during the fall and winter months. Mushrooms are the fleshy and edible fruit bodies of several species of macrofungi (fungi which bear fruiting structures that are large enough to be seen with the naked eye). They can appear either below ground (hypogeous) or above ground (epigeous) where they may be picked by hand. Edibility may be defined by criteria that include absence of poisonous effects on humans and desirable taste and aroma. Edible mushrooms are consumed for their nutritional value and for their culinary worth. Mushrooms, especially dried shiitake, are sources of umami flavor which comes from guanylate. Wikipedia.com

Try this recipe with your favorite mushroom blend:

Wild Mushroom and Goat Cheese Strudel

2 T + 7 t Extra Virgin Olive Oil
½ cup Shallots, Thinly Sliced
4 cloves Garlic, Minced
1# Various Mushrooms, Washed and Chopped
1/3 cup Apple Cider Vinegar
1/3 cup Dry Sherry
2 T Parsley, Finely Chopped
3 sheets Phyllo Pastry
½ cup Goat Cheese, Crumbled

Heat 2 Tablespoons of oil in a large skillet over medium heat. Add shallots and garlic, sauté 4 minutes. Increase heat to high, add mushrooms and sauté until tender and golden (15 minutes). Add vinegar, then sherry, simmer until almost all liquid has evaporated (about 6 minutes). Season with salt and pepper. Cool and mix in 2 Tablespoons parsley.

Place 1 sheet of phyllo on work surface and brush with 2 teaspoons oil. Top with second sheet of phyllo and brush with 2 teaspoons oil. Top with third sheet of phyllo and brush with 2 teaspoons oil. Sprinkle cheese along one side of phyllo, 1 inch from edge. Spoon mushroom mixture over the cheese. Fold short ends over. Start along filled side, roll phyllo tightly. Place seam side down on baking sheet. Brush with remaining oil. Bake at 375 degrees until golden brown (about 40 minutes). Let strudel rest. Cut with serrated knife. Serve with balsamic reduction and micro greens.

HDLGA News...18 Holers

"There are two things you can do with your head down-play golf and pray." Lee Trevino

Wow. September already!! I hope everyone had a fun filled summer, wherever you were. We look forward to all our friends returning back to Hammock Dunes in the next upcoming weeks and wish them SAFE travels.

A special thank you to all the handsome "Kings" for making the HDLGA's King and Three Queens on August 14 super fun and a huge success. Keith and Kimmie Wise, Theresa Flynn and Kelli Jebbia won the low gross first prize. Tim McLean, Marion Manley, Janet Krolicki and Nancy Yule won Low Net. Deb Ignatuk did a great job coordinating this summer event, as always. Thanks Deb!

Nine-Holers

Submitted by Lynette Overbey

Nine Holers, look for a new twist to both of our opening scrambles on September 28 and October 2. Our annual End-of-Summer Scramble will be the unofficial start of our Nine Holer season. Special guest Mike Tsouklaris has volunteered to give us a proper send-off with a pre-round lesson on the golf rules that cover our occasional errant shots, golf and cart etiquette, and pace-of-play. We will have a chance to practice what we have learned in a casual, no-stress, no-score 9-hole scramble. Mark your calendars for 1:00 p.m. at the Links, September 28. Afterward, we can mix and mingle at the Dunes Tavern, welcoming new members and catching up with old friends.

The HDLGA Opening Day Scramble on Oct. 2 will have another new feature: Nine Holers will have our own teams! This is the official start of the HDLGA season, a chance for both 9 Holers and 18 Holers to get back together after the summer. We will be playing the full 18-hole round, but we will be playing on teams of 9 Holers and seated together at the luncheon that follows. Simply tell the Golf Shop that you are signing up for a 9 Holer team. As we settle into the new season, later HDLGA scrambles will give us a chance to get to know 18-Holers as we play in mixed teams.

Both events should be a great start to the new season, and a lot of fun!

News from the Golf Shop..

It's been a great summer. Now it's back to school. Too old? How about golf school? More about that to follow...

Please let any of our professionals know and we will work with you setting your goals, scheduling the appropriate instruction time to reach them, working on a practice routine that would develop your skills or any equipment deficiencies that may be holding you back.

The Future is Now Golf Clinics

It is possible to learn something new about your technique and to become a better player right now. Director of Golf Brad Myers will be conducting a series of golf clinics at the Links Course targeted to those that feel that they have maybe reached their potential and that don't feel that they are going to get any better. The clinics are open to women and men in all handicap ranges and will be held on Saturdays in October. In order to give you some flexibility in scheduling your Saturday golf round and to allow additional spots for signup, two clinics per day will be offered. Those times are 10 to 11 a.m. in the morning and afternoons from 1 to 2 p.m.

The clinic dates and topics are as follows:

Saturday, October 5-Full Swing

Saturday, October 12 - Putting

Saturday, October 19 - Full swing

October 26 - Sand Game

Price is \$35 per person per hour and each clinic will be available to the first 6 people that signup for each clinic. We are capping the number of spots available so that each member can receive an appropriate amount of individual attention.

So sign up today by calling the Links Golf shop (386.446.6222) and get started on the road to lower scores.

Pros Corner..

PICKLEBALL DINKING TIPS

- **Quick footwork** – learn to shuffle laterally, make this part of your dynamic warm-up, you'll get quicker.
- **Square your shoulders** to where the ball is coming from -face it.
- **Avoid cross stepping** – avoid stepping across and turning your body away from the play as this opens a weakness on one side.
- **Less wrist is better** – stiff wrist whenever possible, if they hit right at your feet you may need to twist your wrist more to scoop it up.
- **Flatten your paddle** when you dink – think more of a line-drive, not an easy lob
- **Dink to their feet.**
- **Change it up and dink down the middle sometimes.** A lot of time dinking patterns end up going cross court but you can catch them both off guard by dinking straight down the middle.
- **Dink shot out of the air** – standing toes to the line, reaching in and dink as it drops over the net (before the bounce). This gives them less time and gives you more angles. (1210)

Opera at Hammock Dunes

September 5
From 4 - 6:30 p.m.

Donizetti's *La fille du régiment*

Nobody dies in this feel-good comic opera about Marie, a foundling brought up by a troop of French soldiers, and Tonio, who switches sides to join the regiment to be with her only to discover that she is actually an aristocrat. In this performance recorded live at the Royal Opera House in 2007, Natalie Dessay and Juan Diego Flórez are simply unforgettable.

All are welcome. The program will begin promptly at 4 p.m. in the Boardroom, and there will be an intermission. Please remember to arrive early and enjoy a glass of wine or champagne before.

Presented by Jinny Crum-Jones and Ian Jones
(www.dunesopera.com)
in association with Barbara Arzonetti

As always, after the final curtain and applause quiets down, please consider staying for dinner.
Call today for reservations: 445 0747.

Hammock Dunes Club is pleased to announce Mario Aguilar as our September Employee of the Month. Mario is originally from Long Island, NY and moved to Florida in 2004. He started at Hammock Dunes Club in 2017 as a team member in the Valet Department. With 13 years of hos-

pitality experience, in the club industry, it is no wonder why he has played a key role in elevating the member experience outside. Mario has a passion for photography, from camera gear and editing software to capturing landscapes/seascapes at sunrise and sunset. We are fortunate to have such a personable and hardworking staff member on our team. Please help us to acknowledge and congratulate Mario for this well-deserved accolade.

News & Notes

Audubon Corner...

The turtle nesting report for the first part of the season is in and Hammock Dunes has had a lot of mama turtles visiting to lay their eggs! Here are some wonderful statistics from May 1 – July 1:

- In the 2.3 miles between Varn Park and Jungle Hut Road (inside our gates), there are 200 nests. This represents 53.7% of the Flagler South area and 37.8% of all the nests on the patrol beach area.
- There are 18.1 miles of beach in Flagler County, with a total of 529 nests. 407 are Loggerhead, 119 are Green and 3 are Leatherback nests.
- Sea Turtle False Crawls, where the turtle comes up the beach but doesn't make a nest or lay her eggs are a total of 190. Maybe those girls will come back another time.

The Club has had two nests hatch recently, so watch your emails for the Club's remaining nest to hatch. Congratulations on a successful nesting season!

Book Club

The first book of our new season is THE STORIED LIFE OF A. J. FIKRY by Gabrielle Zevin, the unlikely story of a crumpy owner of a failing island bookstore. Be prepared to be surprised because you may just find that it is an enthralling story that will capture your heart and make you smile, laugh, maybe cry, and hope it never ends.

Plan to join our discussion on Wednesday, September 18 at 3 p.m. at the Links clubhouse. Our leader is Kay Forest. All members are welcome. If there are any questions, contact Pat or Carol.
