## From the Desk of Jesse K. Thorpe, General Manager

Dear Members,

Recently the Ladies Golf Association sponsored a “take out” lunch for our golf course maintenance crew, golf cart staff, and golf shop attendants as a thank you to all the team members that have worked so hard to keep the courses open and in such great shape, while managing such a high volume of member play throughout Covid-19.

On behalf of the staff, thank you for your kindness. As we continue our Covid-19 protocols, it’s always nice to pause and care for others.

Jesse K. Thorpe CCM GM/COO

## Updated Covid Precautions at the Club

Many of you are returning to the Sunshine State from your homes in other areas. WELCOME BACK and we look forward to seeing everyone enjoying the Club. Unfortunately, the Covid pandemic has not left us. We ask all Members to continue to observe the protocols that are currently in place including properly wearing a mask while in the Clubhouse and Fitness Center. We will continue to monitor the situation and relax restrictions as conditions improve. We do not want to be on the forefront of a possible second wave.

### Golf Course

With everyone returning and golf rounds being higher than ever, we cannot continue our current policy of single rider carts without reducing the number of tee times available. We ask for your support while implementing the following policies:

- Couples and those living in the same household, and members bringing guests are required to ride two per cart.
- We ask all willing members to ride two per cart when possible.
- We recognize that some of our members may have legitimate medical reasons for not riding in a cart with others and respect their right to do so. Therefore, we encourage these members to continue to request to ride alone.
- We continue to encourage walkers and pull cart users and will continue to charge \$11 for walking at any time.
- Effective November 2, rakes will be restored to bunkers on the courses and ball washers uncovered for use.

### Dining

- Effective Sunday November 1 Chef Cook and his team will offer a weekly Breakfast Buffet. The buffet will have employee attendants serving food items to the members to limit common touch points. No items will be self-serve. Selections, other than the build-your-own-omelet station and some of the basics, will vary from week-to-week.
- Effective Monday, November 2 the Creek Dining Room will re-open for dinner service on Mondays. Dining seating will be by advance reservation only, as seating will be restricted to 70% of capacity
- In conjunction with the Creek opening for dinner, Links takeout service on Mondays will cease on November 2.
- Effective November 3, Chef Cook will resume two distinctive menus at the Links. One menu will be for the Tavern only, and the other will serve members in the Seaside and Oceanview Ballroom seating.
- The Dress Code for the Seaside Dining Room and Oceanview Ballroom will be reinstated.
- Effective November 1, there is a NEW Grocery Order Form, and a revised grocery pickup schedule. All orders for Grocery Service must be submitted by Sunday of each week for pickup on Wednesdays (only) between 2 p.m. - 5 p.m. Notifications will be sent via email when orders are received, and packages will be available for pickup at the front door of the Links Clubhouse.
- Thanksgiving service will be 100% takeout service only. A special take out menu with a wide selection of Thanksgiving favorites is available for parties of all sizes. ( see the takeout order form in this Dunescape issue on page 6).

## From the Kitchen...

I wanted to touch on some of the survey points that came back earlier in the year and inform everyone on some of the new changes being implemented.

### MENU VARIETY

- Now that restrictions have been lifted, we are able to relax some of the confinements that we've been under during the last six months of this year. By design we have been operating intentionally with limited offerings that changed daily for take-out during the early portion of this pandemic to transitioning to one menu (Tavern) that served multiple rooms. That all changes in November: **Seaside will have its own menu** once again that is offered Tuesday through Sunday, giving us the opportunity to expand our offerings.
- As well as: the **Creek will be opening back up** on Mondays for dinner service – with new menus for both lunch and dinner.

### MENU CHANGE FREQUENCY

- A common theme among the survey results was “menu change frequency”. Even though over 50% of the menu changed four times per year. I didn't feel it was enough for the member who dines at the club multiple times per week. After touching base with some of my colleagues in the industry on what they are doing at their clubs, this is the result: **All menus will change every 60 days! On that timeline the next menu change for the Tavern is December 1. Creek and Seaside menus will change again January 1.** If you have some past favorites or new concepts you would like to see on a menu, just send me an email at the address listed below and I will try my best to incorporate when feasible. The features will still be emailed daily with 4 to 5 new items every 1 to 2 days (as has been in the past).
- The dessert menus will change every 30 days.

### HAPPENINGS

- **November 1 – Sunday Brunch (Breakfast)** will transition to a “buffet” format located in the Oceanview Ballroom. We encourage members to make reservations throughout the clubhouse and enjoy the buffet offered from 10 a.m. to 1 p.m. The staple items (omelet station, bacon, sausage links, hashbrowns) will remain the same each Sunday with other rotational offerings (waffles, pancakes, French toast, biscuits and gravy, grits, etc...). See the advertisement in this newsletter. The service and kitchen staff will be assisting members with their plates as they proceed through the line asking what they would like. Staff will adhere to the safety precautions in place (i.e. masks, gloves, hair restraints, etc...). Once the plate is complete at the end, it will then be transitioned to the member. This is to eliminate any shared touch points between individuals, keeping safety of the utmost importance.
- **Effective November 1, there is a NEW Grocery Order Form**, and a revised grocery pickup schedule. All orders for Grocery Service must be submitted by Sunday of each week for pickup on Wednesdays (only) between 2 p.m. - 5 p.m. Notifications will be sent via email when orders are received, and packages will be available for pickup at the front door of the Links Clubhouse.
- **The “Cook at Home with Chef Cook”** meal kits continue to be a success. If you haven't had the opportunity to try one yet, watch your email for the next dish. New concept every Tuesday with the YouTube QR Link and written instructions. Feel free to subscribe to my YouTube channel to get sneak peaks. (Handle: Chef Lance Cook). We will offer the new dish as a feature (in the Tavern and Seaside) a day or two each week as a featured item. Watch your daily food and beverage emails.
- **“If you don't see it, ask”**... We understand sometimes there is just that one dish that you are craving; or perhaps you have guests in town that you would like to offer something different, etc... We are not limited by what is listed on the menu. Our inventory level consists of a couple thousand products. If it is something that can be easily swapped out (switching from bun to lettuce wrap, etc) inquire with your server at the time of dining. If it is something not on the menu that requires a little more time to prepare (past menu items, chicken parmesan, dishes with specific dietary restrictions, etc...), please inform us 24 hours ahead of time so we can make your dining experience fluent and enjoyable. The best way is to email me at: [lcook@hammockdunesclub.com](mailto:lcook@hammockdunesclub.com) and we will take care of it to the best of our abilities. \* If it is something ordered at the time of dining that we have the product for / the time for (with other orders streaming in) and we are able to accommodate such request, please understand there may be a time delay as we prepare that item from scratch.

The weekly featured Cook at Home meal is listed on your daily takeout email.

Chronology Red is a blend of predominately Petite Sirah with Grenache, Cabernet Sauvignon, Malbec, Cabernet Franc, Merlot, Mission, Syrah and Mourvèdre. Medium to deep garnet-purple in color, it slowly unfurls to reveal scents of crushed red and black plums, boysenberries and Black Forest cake with hints of Sichuan pepper, sandalwood, iron ore and black truffles. The medium to full-bodied palate has bags of freshness and energy, supported by firm yet plush, incredibly well-tamed tannins and loads of black fruit and exotic spice layers, finishing long and peppery. This is truly an exercise in masterful blending. Enjoy by the Glass for \$13

## Tips and Techniques from Pastry Chef Jim Guzzaldo

### **Baking Technique #3- Baked Custards**

Custards are liquids that are set, or thickened, primarily with the addition of eggs. They can range from custard sauce (crème anglaise) to bread pudding and include such familiar fare as quiche and cheesecake. Custards fall into two broad categories- stirred and baked. I will be focusing on baked custards here but will just touch on the difference. Stirred custards include crème anglaise, pastry crème, and blancmange. As their name implies, they are made on the stove top, stirring while they cook. Baked custards, on the other hand, are cooked in the oven, and baked until set. Baked custards include the classic crème brûlée, flan, cheesecake, bread pudding, quiche, and strata.

### **The Method**

Most baked custards are made in the following manner: scald (bring to a boil) the liquid dairy, be it milk, cream, or a combination, usually with sugar and any flavorings such as vanilla bean. Once the dairy is at a boil, slowly pour it into the eggs, whisking continuously, and immediately chill. Custards are best left to rest before baking.

When baking custards, a lower temperature is required, usually 275-325 degrees. Many custards are baked in a water bath, setting the baking dish in one half inch of water. Custards have a relatively long bake time because of their lower baking temperature and are done when they jiggle like jello when they are shaken, rather than making waves as they do when underbaked.

### **The Reason**

Stirred and baked custards are cooked to 185 degrees. At this temperature, the proteins in the eggs will set the liquid custard. Exceeding this temperature will curdle the custard, resulting in an undesirable texture, and separation of the water from proteins in the custard. This is why a lower baking temperature is used, and a water bath will further insulate from overcooking. The exception to this is if a starch is included in the custard base, such as with pastry cream. 8039

### The Recipe

### *Pumpkin Pie*

#### Ingredients:

Canned Pumpkin	13 oz
Flour	2 T
Cinnamon	1 tsp
Nutmeg	¼ tsp
Ginger	¼ tsp
Cloves	1/8 tsp
Salt	¼ tsp
Brown Sugar	½ Cup + 2T
Eggs	2
Light Corn Syrup	2 T
Milk	12 oz
Pie Shell	1

#### Procedure:

- In a mixer fitted with a whip attachment, mix pumpkin, flour, spices, salt, and sugar.
- Mix to combine.
- Add eggs, mix, scrape down sides and bottom of bowl, mix again briefly.
- With mixer running, slowly pour in corn syrup, then milk.
- Let mixture rest for 30 minutes. Preheat oven to 400 degrees while mixture rests.
- Fill pie shell with custard, bake for 10 minutes on bottom shelf of oven, then turn the oven down to 350 degrees, bake for another 30-40 minutes, until pie jiggles.
- Once done, turn off oven, and let pie slowly cool with oven door propped open, if safe and possible. If not, remove pie from oven and put in a warm place to cool slowly. This will help prevent cracking.

\*\* Pumpkin pie is baked differently than most custards. A high initial bake temp helps the crust to set, and the starch from the pumpkin, as well as the additional flour, help to avoid curdling. Care still needs to be taken not to overbake the pie, to avoid it cracking and splitting. The marred appearance won't affect the flavor, though, and can just be covered with extra whipped cream if necessary.

## News from the Golf Shop..

November is a month for giving thanks. 2020 has been a challenging year full of twists, uncertainty, and sorrow for many. With all the negative things that the year has brought to us, there have been some aspects of our society that had a rebound. Golf was one of those things. Rounds of golf in across the country have skyrocketed to levels that have not been seen in years. Golf became one of the only activities that you could do and socially distance at the same time. To give you a feel for what that has meant at Hammock Dunes Club, we had the Creek Course shutdown for almost two months at the onset of the virus and we are currently year to date up 1907 rounds compared to 2019. Thank you all for playing and making that possible. Participation in tournaments has also started again and there we have had a huge jump as well. For example, the Men's Fall Shootout which had 66 players in 2019 had almost 80 players this year. That is fantastic for a preseason event. The HDLGA Opening Day also had record participation with 90 players!

Help us keep the momentum rolling. In November we have a large mixed event, a Ladies Golf Association tournament, and the Men's Member-Member tournament. Here is what we have on the tournament calendar for November:

November 7 – Veteran's Day Tournament for Men and Women to benefit our local Veterans

November 12 & 13 – the Corona Men's Member-Member Tournament

November 18 – The President's Cup HDLGA tournament

In this month of thanksgiving, we hope that you will take the opportunity to support local veterans in need. You may make your tax-deductible donation to "Hammock Dunes Cares", our 501-3c, which will send a check in the name of Hammock Dunes to local veterans in need of assistance in the coming year.

As a calendar reminder, Christmas is around the corner. We are excited to see what our new Director of Retail, Debbie Phillips, has in store for us. If you are just getting back into town or have not had the opportunity to meet Debbie please drop by the golf shop and we would be glad to introduce you.

Thank you for all the lessons this year as well. Those are reaching an all-time high. We will continue doing clinics and private lessons. If you are not where you believe you should be at this point in the year, stop with the "trial and error" method and let our pros help you. That is what we are here for. We hope that you and yours have a great Thanksgiving!

## HDLGA News...18 Holers

Submitted by Nancy Yule, Vice President HDLGA  
FINALLY OPENING DAY HAS ARRIVED!!

Hello to all our HDLGA members.

On October 7, we had a wonderful day to start our season and literally get the ball rolling with the official kickoff for the rest of our busy schedule. Half the group played at the Creek and the other half at the Links, each followed by a lovely lunch celebration.

The format for the day was a crowd favorite...pick your own team and a step-aside scramble utilizing only one drive from each person. The winning team at the Links flight was the team of Teresa Flynn, Margaret Condit, Kimmie Wise and Sherry Settles who shot a Net 57...impressive and no wonder why they won!! There was a three-way tie at the top of the Creek flight with a scorecard playoff. The winning team consisted of Renee Alter (welcome back Renee and glad you are home), Brygitte Lusinski, Lin Culver and Deborah Kiss. Congratulations! In the 9-Hole Flight the first-place team was Kathy Thomas, Beth Thomas, Patricia Thomas and Carole Bryant who put up a great score of Net 66. Way to go! Thank you to everyone for participating in a day made possible by an absolutely incredible golf staff, and if you haven't done so, please thank Barb Darcy for running such a successful event.

Look for the Results of our Fabulous Fall Shootout, always a fan favorite for all the participants, in the next Dunescape.

As a side note, I know that everyone is aware of the instruction cards that have been placed on our carts reminding us to repair divots, repair ball marks, keeping all four wheels on the cart path and making one straight line back on the range. Please take heed to these suggestions as they will only enhance both of our beautiful courses and it also minimizes damage. We can all do these small parts so that when we drive around the property of Hammock Dunes and the Creek, we can look at our golf courses and puff out our chests a bit and say it looks that way because I took a small amount of time to make those fixes. It's always easier to walk away from doing these small things than actually doing something, so let's all help one another and do our part. We are so very fortunate that we not only have one magnificent course but two that we can all be extremely proud of.

If any of our members have any questions, concerns or suggestions, your HDLGA board would love to hear them. We represent you and we ALL play a vital role as a team in the success of our organization.

## Nine-Holers

Submitted by Suzanne Deroche  
Happy Fall! HDLGA play is officially open!

There are some new faces in our group, so please extend a warm welcome to our new friends!

On October 14 at the Creek course, Nine Holers gathered to reap the benefits of small group instruction from our dearly valued pro, Mike. Patient and as encouraging as always, Mike led the group in an abbreviated putting clinic. All who attended gained some great "ah-ha" moments and each of us utilized the information to make immediate positive changes. Posture, tempo, end-over-end-rotation were among the Jeopardy-worthy buzz words we now recite when prepping for that putting moment. It was so much fun to see the ladies inspired by Mike's teaching!

As temperatures become more tolerable, we are looking forward to increasing the number of ladies to join the fun on Wednesdays! Golf staff members have been diligent in sending email notifications each Thursday morning to advise the course location for the following week along with any other important information. If you are not receiving these emails, please contact the Golf Shop.

Don't forget, Mike and our other pros are available to help you spruce-up your game. Maybe a lesson or two can help boost your confidence. I look forward to seeing you soon, and in the meantime, please feel free to reach out if there's some way I can help you or if you have any questions.

## MGA News...

### The DOGFIGHTERS submitted by Bill Desimini

In 1998, we started a new group of men golfers called the "Dogfighters". Jim Simms and I started with 8 golfers on a Friday morning and have watched it grow to as many as 60 during the winter months in the past 21 years. The name came from a game Jim played back in his hometown of Birmingham, AL. They played for "dogfight points" in a modified stableford game of golf.

One of the main reasons for starting the Dogfighters was to welcome new members to Hammock Dunes Club and to provide them with a game with players of similar handicaps. If your handicap is 19 or lower, we would enjoy having you play with us on Friday mornings. The highlight of our year is the Dogfighter Championship. In addition to trophies for individual and team play, we award a "Mr. Cool" trophy. Past recipients choose that individual who 1. Shows integrity for the game, 2. Shows good sportsmanship, and 3. Is an enjoyable playing partner.

We've adopted the idea of wearing the color red on Fridays to "support the men and women in the armed services;" that's why you now see a row of red shirts on the driving range before we tee off. If you are looking for a game, we have a game for you.

## MGA Thursday Group

### Submitted by Mike Gallagher

Great news...Thanks to the Dunescape last month we gained a new player! Recent weeks have had at least four teams every Thursday. The MGA extends its thanks to the golf staff, kitchen and dining room staff for a terrific and successful MGA Fall Shootout Tournament. Of course, all the tension and strife of playing in a tournament was present and all in good fun. A big plus was the logo goodie bag with a couple of sleeves of golf balls.

Playing golf in a Hammock Dunes group enhances the enjoyment of the game and encourages us to play our best regardless of skill level. It's not how long your drive is, how accurate your pitches are or your putting skill. We do our best, count on our team and try real hard not to lose our \$5. In our group players who can no longer reach the par fours in two are encouraged to move up to "friendlier" tees so they can find new enjoyment in the game and be more competitive. It works. This group has a two-part goal, have fun and enjoy the game.

Everyone is welcome, email me at [mvadventure@bellsouth.net](mailto:mvadventure@bellsouth.net) or call the golf shop; we play every Thursday.

Mark your calendars for these upcoming MGA events:

## Croquet News....

And the Games roll on...and the days dwindle down to a precious few; these special days we'll spend with Croquet ...hours we hope you will join us too!

To enforce our "thankfulness" for our members we practice the guidelines set forth by the club: distancing, cleanse hands, keep hydrated. Respect all the players.

We are thrilled to welcome all our new players: Carole and Sonny Bryant; Mark and Elizabeth Rodrigues Trudeau; Pam Gaible; Thelma Tumacder; Pat Rattray; David Davis. "Bienvenido" to all!!

We send our sincere sympathies to the Knopf and Hewson families on the passing of Ted Knopf and Mike Hewson. Quoting our Maven of Croquet, Dorthy Fosse, "When Ted Knopf came along in 1995, he was a natural player who surpassed all of us, but always willing to help us further our game." Teacher, Tournament Director, Croquet Board Member and talented craftsman, Ted did it all. Always dedicated to Croquet. Rest in Peace, Ted and Mike.

Looking Ahead: Lessons continue - take advantage of basic lessons or further your skills with the help of Maureen Villiotte, our President, who will tweak anyone's Game. We will commence celebrations as allowed, being prudent, to keep everyone safe. The First Coast Croquet League will start meeting again.... everyone has a place, challenge or social. Look for e-mails!

Enjoy your day with Family and Friends whether virtually or together. We croqueteers are blessed with the ocean breezes to enhance our "Game of Life"! Like life, Croquet is a game of successes and failures. Work on failures, enjoy the success. Have fun with the challenge.

And the Games roll on ..... See you on the Courts soon.  
Stay Safe .....Stay Healthy.

## The HDLGA Holiday Charity

For over 10 years Christmas Come True (CCT) has assisted Flagler County residents who are in need. During the holidays the focus is directed toward making children happy and helping families remain intact. Every family will receive a holiday meal of their choosing from CCT. Kids get the gifts they want. Parents get peace of mind and dignity. We get to play Santa.

The CCT tree will be in our lobby. The tree tags list the holiday wishes of a child. Included stickers help the right gift get to the correct child (i.e., Family #3, Child #2). You can also give a random gift not addressed to anyone. Gifts do not have to be wrapped or assembled. More simply, you may write a check to Hammock Dunes Cares indicating CCT on the memo line and give it to Sara at the reception desk. Gifts must be received by December 9.

The HDLGA would like to thank you ahead of time for your generosity. For more information, please contact Becky Bush at [beckybush121@yahoo.com](mailto:beckybush121@yahoo.com)

## Women's Bible Study...

The Hammock Dunes ladies bible study is continuing to Zoom weekly on Mondays from 1-3 p.m. We are using a book by N.T Wright on the three letters of John. We will finish this study by Thanksgiving and will break until January. It is not too late to join us by Zoom wherever you are. Many of our snowbirds will still be Zooming with us from the north. So, until then, happy Thanksgiving and Merry Christmas. Any Questions? Call Judy Walters at 446-5542.

## Audubon Corner...

Happy Thanksgiving from this turkey family at the Creek! Juvenile males are referred to as “Jakes” and females “hens”. Wild turkeys are the largest game bird in North America. Males can stand as tall as three feet and weigh up to 25 lbs. Only the males gobble and on a still day they can be heard a mile away. In the wild they can live up to 10-13 years and yes, the wild ones can fly.

Another resident from the Links sixth hole is this huge Florida Soft-shelled Turtle. This is one big turtle. It has a very long neck that can reach around to its back and it bites!
