From the Clubhouse

From the Desk of
Tim Timlin, General Manager/COO

Dear Members,

Let me begin by wishing everyone a joyous holiday season and I am hopeful you are able to spend countless hours with your closest loved ones during the next couple months. Rest assured the Club is positioned to provide numerous opportunities for your entire family to enjoy these festive days and nights while also looking forward to 2023. Now is the perfect time to build upon some existing family traditions while also building new memories to last a lifetime.

As we close out this year and welcome in the next twelve months we do so with an extreme sense of optimism and a wave of momentum that brings total excitement. Our management team has worked to provide activity calendars that are centered around bringing our membership together while encouraging new relationships and broadening the member experience. From racquets to fitness, aquatics to golf and enhanced food & beverage options we are focused on providing the best environment possible. With that in mind I will be introducing a series of focus group meetings in January that will be centered around your current satisfaction levels, activity and potential areas of improvement. Participants will be selected through a random draw of the membership and will be kept to a smaller group size to promote open and constructive dialogue.

While the aforementioned focus groups will allow us to continue on our path of continuous improvement, I would be remiss if I didn't mention our operating budget as one of those key contributors. I am happy to report that our management team takes great pride in their financial accountability to the members and will work diligently everyday to maintain a positive financial position. This year we have all felt the increased cost of goods from groceries to energy and even new automobiles. One of the more forgotten pieces of our overall operating budget is that of our team. While our overall campus remains very labor intensive it is the members of this great team that allow all of us to build lasting relationships while enjoying such a warm and welcoming Hammock Dunes Club. The increase in operating dues is a subject this entire team does not take lightly and I believe it is pivotal to share that we are taking care of those who take care of you.

In closing, I know I speak for everyone on the team when wishing each and everyone a safe and glorious holiday and we can't wait to usher in 2023.

Yours In Service,
Tim Timlin, CCM, CCE, CAM

HDLGA News... 18 Holers

Submitted by Alison Wright, HDLGA Vice President

The LGA had a very busy and successful November!

First, I hate to report this, but Pace of Play has been an issue in several of our tournaments. We all know that a foursome should play 18 holes in 4 hours. You should be keeping up with the group in front of you, not looking backwards trying to stay ahead of the group behind you. Please be ready to hit your ball **before** it is your turn, read your putt **before** it is your turn, write your scores down **after** you arrive at the next tee, and **pick up your ball** and take your max if you are out of the hole. If you can save just one minute on each hole, that is 18 minutes you'll save for the round and that makes all the difference. Oh, and post your scores!! Thank you!

The HDLGA Annual Holiday Cocktail Party is being held on Tuesday, December 6, 4:30-6p.m. Please join us for some holiday cheer! Wednesday, December 7 is our annual "Christmas to Remember" charity golf event and luncheon, and we are looking forward to a big turnout benefitting this year's charity, Abundant Life Ministries-Hope House.

Wishing everyone a wonderful Holiday Season, and a very happy 2023.

Nine-Holers

Submitted by Susan Kolka

The Coastal Niner events have been keeping us busy this fall. Our first Coastal Niner event was held on October 22nd at Palm Harbor. Lynette Overbey and Nancy George were on prize winning teams. November followed with a second Coastal Niner event at Halifax Plantation. Our final date in 2022 to play with the Coastal Niners is on December 1 at Plantation Bay. Don't forget to sign up.

Our group is growing. Five new members have been added to the Nine Hole roster. Welcome ladies! Our fall social event was held in November. It was great to see so many familiar and new faces at this well attended gathering.

Happy Holidays!

Golf News

News from the Golf Shop..

On behalf of the Professional Staff, we hope everyone enjoyed their Thanksgiving and some quality time with their families and friends. Before we know it, the Christmas holiday will be upon us as well as a new year and a fresh start.

Speaking of fresh starts, I want to thank everyone for being so welcoming as I began this new journey in my professional career. As many of you know, it was a bit of an interesting start, but I can certainly say I'm glad to be here and proud to be your Director of Golf. I can't thank Gina and the rest of the staff for being so kind and patient with me while I finished up my position in Asheville, NC and transitioned to Palm Coast. I am extremely excited to get going at Hammock Dunes Club and look forward to getting to know our members. I have been fortunate to work at some of the finest facilities in the country throughout my career and Hammock Dunes Club is right up there with all of them. My focus will be to have some impact on our service levels, the tournament programming we have in place, our player development programs as well as assisting Debbie in continuing to raise our merchandising concession to new heights.

My passions within the industry have always been teaching and playing this great game that we all love, and I thoroughly enjoy putting on great tournaments. I have been and will continue to keep observing our golf operations for areas of improvement and will continue to seek valuable information, opinions, and thoughts from all of you that may assist our team in taking the golf operations at Hammock Dunes Club to a new level.

On a personal note, I was born in Raleigh, NC and call that area of North Carolina home, where my family lives. In my free time, you will catch me working on my game, trying to stay fit or casting a line somewhere in hopes of catching the big one. I am also an avid sports fan and will always cheer on my beloved Tennessee Volunteers. Once again, thank you to everyone for being so welcoming and supportive so far and I look forward to many years of success at Hammock Dunes Club!!

Croquet News....

And the Games roll on...as the days swiftly roll into a New Year, we look at our breathtaking views that enhance the game - the sport for yesterday, today and years to come. We invite everyone to join us to experience the camaraderie and sport of Croquet in 2023! We wish our readership the warmth and joy of the Holidays with family and friends. Welcome 2023.

Rolling Back: In October we celebrated Halloween with a Party on the courts and in the Ballroom. The costume winners tied for First Place were Sharon and David Davis and Linda and John Browning, with Mary Ellen Keck the runner-up. Congratulations to winners and all who dressed for the Party. Merci Beaucoup to our Social Chair, her helpers and staff for transforming an ordinary evening into an extraordinary party.

- Sunday, January 15 - Croqueteers, this is your party. Without the dedication and support of every member, croquet would not exist at Hammock Dunes Club!! Let us celebrate this extraordinary sport.

We roll into 2023 looking forward to many challenging and fun games with First Coast Association events. We finished this year in October. The Chargers were victorious over The Florida Yacht Club Way to go team!! Trish Thomas needs players for Mixers (social) and Maureen Villiotte needs players for Chargers. Fitness News...

Did you know we have a class called “Fit, Strong, & Flexible”, and it is similar to what is known widely as “Silver Sneakers”? It is a slower-paced class, where majority of the exercises are done while seated in a chair. It is a great way to get back into working out if you have limited mobility or have trouble standing for long periods of time but still want to remain active. To sign up, use your app or go to the fitness website.

We cannot stress class registration enough. For any class (including aqua aerobics), if there are fewer than 4 people, class cannot be held. In addition, with the influx of members returning for the holiday season, everyone must sign up to ensure they have a spot in class. If you sign up for a class, and cannot make it, please also cancel your reservation. This can be done on the app and website up to four hours in advance of the class, or by calling Rosa at 386-445-0747 ext. 209.

Going into the new year, keep your eyes peeled for new classes that will be added to the schedule. If you have any ideas or would like to see a specific class added, please do not hesitate to reach out and give your input.

Please respect our cell phone policy..

Cell phones are NOT allowed in the Aerobics Studio. We have lockers just beside the main entrance to the Fitness Center so as to not cause disruptions in classes.

Fit Tip of the Month...

The American Heart Association (AHA) has updated its metrics for cardiovascular health to now include sleep. This new rubric is called Life’s Essential 8 Trusted Source, named for its 8 components. Check the website for an article that describe’s the eight components.

Book Club

Fasten your seat belts for a thrilling read in book club's December choice: Andy Weir's **PROJECT HAIL MARY**. Set in the near future, middle school science teacher Ryland Grace wakes from a coma on a spaceship and quickly learns that his mission is to save the earth.

Although the book is meticulously researched and definitely set in science, the reader doesn't need to know the science to understand because it is all explained, interesting and sometimes quite funny. Author Weir has created in Ryland Grace a more fully formed person than the lead character in his initial book, **THE MARTIAN** (played by Matt Damon in the movie). Ryland is scientifically skilled, good-natured, perhaps a bit naive, and not an astronaut.

Mark your calendar for Wednesday, December 14 (the second Wednesday of the month due to the holidays) at 4 p.m. in the Links Lounge/Library. Abbe Hirschler will lead our discussion. If you have any questions, contact Claudia Pierce, Kelly Marshall or Carol Swinburn.

Bridge

Monday Duplicate Bridge is open to all players, every Monday in the Links Lounge from 1:30 – 5 p.m. If you are interested in playing, please contact Sharon Gudenberg: srg798@gmail.com.

Tuesday Duplicate Bridge starts at 3:30 p.m. If you're staying for dinner after, please make your dinner reservations 7-10 days in advance. If you are interested in playing, please contact Bill & Carol Britton: 386-447-1979.

Ladies Social Bridge contact Julie Gamble: 505-239-5551.

Thursday Duplicate Bridge contact Claudia Pierce: 386-446-7575 or Maureen Delk: 386-445-6427.

Care Bears...

The Care Bears of Hammock Dunes would like to welcome any interested Hammock Dunes residents to a "Tea" on Thursday, December 8, in the Links Lounge at 3 p.m.

We hope to interest you in joining our group. It will be an informal meeting to let you know what we do and how you can help. All new and prospective members, as well as current members, are invited. Please sign up with Sara at the club by December 2, so we will know how many to expect. Thank you and hope to see you there.

The lead Care Bear for December is Judy Wiginton with assistance from Maggie Ferguson, Connie Wolfson and Robin Sullivan. Please contact one of them if you know of anyone in Hammock Dunes who is ill, having surgery, has lost a loved one and needs help or perhaps a thoughtful card/contact to cheer them up. The Care Bears welcomes new members in our group. Please contact Diane Bogart 386-445-4027 or dianebogart9@gmail.com or Barbara Darcy 386-449-9689 or bdarcy6@gmail.com if you are interested in joining us or know someone who needs our care.

Audubon Corner...

The recent hurricane and tropical storm resulted in horrific destruction to our beaches. Many turtle nests were severely damaged with the potential for stranding newborns. If you find any baby turtles you can help by keeping them on a damp clean towel and taking them to Marineland turtle center. The ones you find now are wash backs and they may have a yolk sac that provides all the nutrients they need. Until then honey is a good substitute. Almost 500 baby sea turtles are being rehabilitated by the Sea Turtle Preservation Society.

Opera at Hammock Dunes Club!

Saturday, December 3 ➤ 4 p.m.
Christoph Willibald Gluck's
Orphée et Euridice
La Scala, Milan, 2018

In the ancient legend of Orpheus and Eurydice, Orpheus uses the power of his music to persuade the gods to allow him to descend to the underworld to recover his dead wife. According to the BBC, tenor Juan Diego "Flórez burns up the stage, vocally and dramatically," and The Economist describes the production as "highly compelling, the drama heightened by the taunting, expressive dancers of the Hofesh Shechter Company."

All are welcome. The program will begin promptly at 4 p.m. in the Boardroom. There will be one 15-minute intermission, and it will end at 6:30 p.m. Please remember to arrive early and enjoy a glass of wine or champagne before.

As always, after the final curtain falls and the applause dies down, please consider staying for dinner.

Presented by Jinny Crum-Jones and Ian Jones in association with Barbara Arzonetti.

For more information about Orphée et Euridice and the rest of our upcoming 2022/23 opera series, visit www.dunesopera.com.

You can reserve your seat for Orphée et Euridice now via the Upcoming Events section of the Club App or Member Website or by calling 386-445-0747.
