Let's show Flagler County
that we Care!
Let's RALLY!*

Hammock Dunes Cares is the Club's philanthropic arm and it is hosting The Rally. Hammock Dunes Cares is a 501(c)(3) tax exempt organization.

The primary beneficiary of the money raised from The Rally 2022 will be the Flagler Free Clinic located in Bunnell. The Flagler Free Clinic's mission is to provide quality medical care to the uninsured and economically challenged citizens of Palm Coast.

The Flagler Free Clinic provided medical care to more than 1000 of our neighbors through their network of more than 75 volunteers (including 30 medical providers) in 2021. Our support will allow them to continue their commitment to quality medical care through funding for much needed supplies and medical equipment.

Join one of the many FUN fundraising events which are organized by a committed team of Event Chairs. We will be hosting events on the golf courses, tennis courts, pickleball courts, bocce courts, croquet lawns, and clubhouse.

Event registration forms can be picked up from the clubhouse, golf shops, courthouse and Event Chairs. Your Event Chairs will be notified that you want to join in the FUN and will contact you with more Event details.

Checks should be payable to Hammock Dunes Cares with THE RALLY written on the memo line—checks and Event registration forms can be mailed to the Club at 30 Avenue Royale or dropped in the slotted wooden box in our Club main lobby. Your contributions are tax deductible.

Our goal is to raise \$50,000. Whatever you are comfortable donating is deeply appreciated and will be handled with care.

Questions and comments can be sent to The Rally Chair, PJ Conniff at pamela.conniff@gmail.com.

From the Kitchen...

In early 2021, Jim Guzzaldo (our prior Pastry Chef) and I started to formulate a plan to incorporate fresh breads into our culinary program. We knew the required necessities (steam injected oven, couches for baguettes, sourcing certain ingredients from numerous suppliers, etc.) but most of all needed that ONE person that would want to undertake the responsibilities of feeding the starters, preparing the doughs, shaping, baking, and give consistent quality daily. That staff individual was already here at the Club... Nicole Parker raised her hand and wanted to be that person. So with mentorship from Jim, she started baking bread about 8 months ago. He gave her a book on the science of bread and instructed her to read it on her free time. She immersed herself into bread baking. One week later was done with the book and had her shifts reassigned to begin the development of the program. Ever since then, she has been incorporating different rolls, braids, loafs, sandwich style breads and has gained an appreciation and understanding for the process.

In December 2021, I signed up for two competitions of my own to take place in January 2022 in Myrtle Beach, SC and came across a category I had not seen before. C-5 Bread Display. I thought: I would be there competing anyway, so I could transport the product and set up her Bread Display to be judged, then relay the critique back to Nicole. I volleyed the idea to her and explained all the benefits of competing. At first she was hesitant. There is fear in competition – the fear of failure, the fear of putting up an inferior product, fear of not having enough time in timed events, etc... BUT I explained, on the opposite side, fear is a great motivator. “I don’t want to fail, so how do I avoid that?” – practice-practice-practice to perfect the process, eliminate as many variables as possible, plan your timeline so you are comfortable; most of all listen to the critiques that the judges give and use that to become even better in the next one.

On Monday – January 14, 2022 her bread display was judged by none other than Internationally known Olympian Pastry Chef Susan Notter. Critiques that are given are honest and constructive to make individuals understand their strong areas and areas they need to focus on. I took down all the notes that Chef Notter explained and upon my return to the Club passed along the information to Nicole and discussed ways to incorporate the suggestions. She was also presented her with her first competition BRONZE medal and certificate. Congratulations to Nicole! I am super proud of her for jumping in to the competition arena and I think (like me) she is addicted, because she has already asked “when is the next one”...?

HDLGA News... 18 Holers

Submitted by Janet Kreizman, HDLGA Vice President

Hammock Dunes Club winter weather has been spectacular for golf. Let's hope the trend holds because there are plenty of LGA and Club golf events in the coming months:

- LGA Rally, February 23 at the Links - The 2022 beneficiary of the Rally is the Flagler Free Clinic. The LGA raised more than \$6,000 in 2021 in support of the Rally. Let's beat that this year.
- LGA Member-Member, March 16 – 18, both courses - Many people say this is the most fun tournament event of the year. Don't miss it!
- 2022 Ladies Member Guest, April 6 – 8, both courses - New start time for golf this year, cocktail party Wednesday; lunch and **afternoon** shotgun start on Thursday, followed by Happy Hour and great food; breakfast and morning shotgun Friday, followed by luncheon and awards. Watch your email for details and register early. This fills up fast!

For details and registration, go to the Club website or App.

Thanks to all who completed the LGA recent satisfaction survey. LGA members came up with some excellent suggestions for improving tournaments and Ladies' Days. We will be sharing the results with you soon, if we haven't already.

As always, continuous improvement suggestions are welcome. Drop me a note... janetkreizman@gmail.com.

GREETINGS 9 Hole LGA ladies!

I am very happy and honored to take over as the 9-hole representative on the LGA Board.

My first LGA meeting was Wednesday, January 5. The LGA Board is coming up with fun new ideas to enhance the participation of Wednesday Ladies Day. I will keep everyone informed with this information as we meet.

I encourage all 9-hole lady golfers to take advantage of this beautiful weather and join us on Wednesday mornings. As a New Year's Resolution for 2022 - we should ALL meet at 10:30 EVERY Wednesday; have a fun 9 holes of golf and then enjoy lunch at the Tavern together.

If anyone has any questions, concerns, comments, or IDEAS regarding the 9-hole Ladies Group, I am available via email at Marylcahill@gmail.com

Be Safe.

Golf News

News from the Golf Shop..

We are well into the start of 2022 with a lot of changes going on in the golf operations. As you all know by now Brad Myers has left Hammock Dunes to pursue a new opportunity as the Director of Golf at Army Navy Country Club in Virginia. This has brought on some new responsibilities to our Golf Staff. I want to ensure that we will be on point with the golf tournaments as we come into our most busy time of the year.

Mike Tsouklaris, First Assistant and the point person with our tournaments, has been very diligent in having the tournaments on the Hammock Dunes Club website and keeping uniformity in the registration for each event. When we have tournaments that are only available to the members, registration opens 30 days prior to the first day of the event, and if we host an event where members are allowed to bring a guest, then the registration opens 60 days prior. This will help you as members to be more aware when the registration opens for each tournament.

Upcoming Tournament Schedule: The busy time is around the corner for some of our major tournaments so please mark your calendars.

February 2 – LGA Masters Challenge
February 3 – MGA Players Pool
February 13 – Valentine’s Mixer
February 23 – LGA Rally Tournament
February 24 – MGA Rally Tournament

New Faces in Hammock Dunes Golf Staff: I hope most of you have had the opportunity to meet Brian Bateman by now. He has been with us since mid-July of 2021. He was a key instructor at the PGA Tour Academy at World Golf Village and TPC PGA Tour Academy when I met him years ago. Brian has been a very good addition to our team at Hammock Dunes Club. The most recent addition is Ben Miller, who has only been with us since the first of the year. Ben moved to the area just recently and was commuting to Marsh Creek Country Club in St. Augustine where he was the First Assistant for the last 7 years. Ben was the key staffer facilitating most of their tournaments. I feel that our Golf Shop Professional Staff is a very well-rounded team that will continue to help our members in all aspects of the game.

Please take the time to reach out to each one of us with any of your needs to help improve your game,

Gina Hull LPGA – Head Golf Professional

Frost & Fog Delay Tee Time Policy

On mornings when starting times are delayed due to frost, the following policy will be implemented:

In the event of a delay all tee times will be moved back an amount of time equal to the duration of the delay. Play will commence when it is determined by the maintenance staff that the course is prepared for play after a frost delay. It is imperative that rescheduled groups be at the tee and ready to play when called.

Fitness News...

NEW and coming soon to the Hammock Dunes Fitness Center: PRIVATE Pilates reformer classes.

Invented by Joseph Pilates, Pilates is a style of exercise that focuses on core strength and stability, stretching the muscles, and building lean muscle mass throughout the body. Reformer machines are a widely used mechanism of incorporating Pilates into a workout routine. They are designed to work every muscle in the body, while strengthening and lengthening the muscles.

The reformer is a spring-loaded machine, meaning you can increase and decrease resistance placed against the body by adding or taking away the adjustable springs. The machine consists of a sliding carriage where you can sit, stand, or lie flat, with an adjustable foot-bar to create variations in exercises. Ropes with straps that can be placed in the hands or around the feet, provide an additional way to create resistance.

While reformers are great for overall strength, they are also excellent apparatuses to stretch the muscles, and when used in a regular workout regimen, facilitate stamina and stability.

The machines are also common in rehabilitation work, focusing on slow and controlled movements and specializing in core control, balance, strength, and flexibility.

We will be offering private groups with a minimum of 4 members, up to a maximum of 8. If you are interested in taking a class, get a group together and get in touch with Walter or Rosa by emailing wsam@hammockdunesclub.com or calling (386) 445-0747, ext. 209.

Robins and Whales?

Did you know that Hammock Dunes is one of the few and only places in the world you can see Robins and Right Whales at the same time?

Let's start with Right Whales, that migrate through our local oceans in January. There are approximate 350 individuals left and are protected under the Federal Marine Mammal Act and the Endangered Species Act.

Marine vessels are required to stay 500 yards (5 football fields) away so that mother and calf can bond. The species could be extinct in 20 years without our help. Our Hammock Dunes Club whale watching team is led by Sharon Davis (313-333-7344) and Tina Bjarekull (443-520-0453).

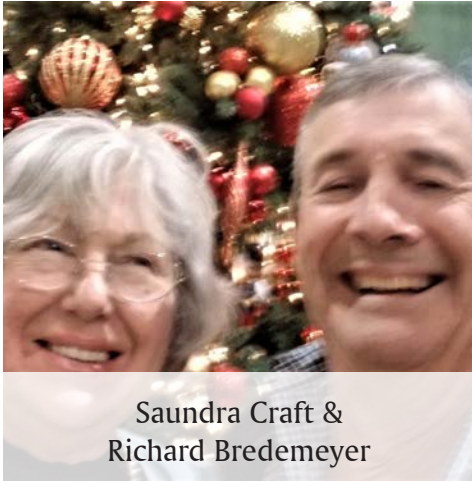

In January, Robins migrate to our area numbering in the tens of thousands. Their main diet is berries from cabbage palms and insects. The Creek Course is one of their favorite places to overnight. When they depart in late February, spring weather is on the way!
