

From the Clubhouse

From the Desk of
Tim Timlin, General Manager/COO

Dear Members,

Welcome to July and the celebration of Independence Day 2023. I am hopeful this edition of Dunescape finds everyone enjoying a relaxing summer here at Hammock Dunes, a summer residence or a pleasurable vacation. Wherever the season may take you, rest assured activity at the Club continues. Our seasonal calendar is full of activities to keep you engaged throughout the months and I am also happy to report that our second session of Coffee & Conversation was held in the last week of June. I am extremely appreciative of the time everyone has given to make these meetings extremely successful and create a positive dialogue within our community.

The summer months also provide the appropriate time for our management team to establish 2024 objectives, spend one on one time with their respective teams and to set our Club Calendar for the upcoming year. As a leadership team aimed at fulfilling each member's expectation we also respect the need to provide our teams with the proper training, feedback and building blocks for continuous improvement that summer makes available. Hammock Dunes Club is fortunate to have a number of dynamic individuals that collectively make up what I would call an "experience squad" as their number one goal is to make each visit more enjoyable.

In closing, I would like to share that the Club has received its' 2022 Annual Audit and again Hammock Dunes has performed extremely well. While 2022 may have been a year that experienced a number of changes, the Club exceeded budget projections, exhibited outstanding fiduciary management and remains in excellent condition. In upcoming months, I will send out a number of club benchmarks so you can see how Hammock Dunes compares with similar clubs in our region as well as throughout the State of Florida.

Enjoy your Summer,

Yours in Service, *Tim Timlin, CCM, CCE, CAM*

Wine of the Month...

Siduri Willamette Valley Chardonnay
2020, Oregon

Tasting notes: Siduri, named for the Babylonian goddess of wine, specializes in cool-climate varietals throughout California and Oregon. This Willamette Valley Chardonnay is a blend of our favorite vineyards, predominately from our Maple Grove & Gran Moraine estates. Fresh and lushly textured with Meyer lemon, apple and subtle spice with vibrant acidity and a graceful finish.

Enjoy by the glass for \$16 plus tax or
bottle for \$32 plus tax.

Silver Palm Cabernet Sauvignon
2020, California

Tasting notes: The grapes for Silver Palm are primarily sourced from North Coast AVA, which includes Napa, Sonoma, and Mendocino counties, for their ability to produce a seductive expression of Cabernet Sauvignon. This is a full-bodied, luscious, and smooth Cabernet Sauvignon that presents flavors of blackberries, cherries, cocoa and toasty oak with soft tannins and a silky texture.

Enjoy by the glass for \$12 plus tax or
bottle for \$30 plus tax.

July Dessert Menu:

CHOCOLATE BOOM –
angel food cake stuffed with dark chocolate hibiscus
mousse, carmelia mousse top

BANANA-HAZELNUT TIRAMISU –
banana mascarpone mousse, hazelnut-feuilletine crush,

HDLGA News... 18 Holers

Submitted by Monica Lipomi, HDLGA Vice President

"Success in golf depends less on strength of the body more on strength of mind and character" - Arnold Palmer

I am excited and honored to start my new role as LGA Board Vice President! I had the pleasure of serving on the Board last year with some remarkable women. I want to congratulate our new LGA President, Alison Wright, and I look forward to working and learning alongside this talented lady.

I would also like to acknowledge and thank Janet Kreizman, the LGA Board past President, and the LGA Board members for all their hard work, dedication, and accomplishments over this past year. Under Janet's leadership, the Board made numerous significant administrative changes to the Bylaws and General / Standing Rules to allow for tournament flexibility and grant appropriate authority to the golf professional staff. Also, Teresa Flynn, LGA Treasurer, significantly improved the LGA financial reporting and budget development. Finally, Sue Kolka LGA Nine Holers, made major efforts to increase Nine Hole Golfers engagement and participation on Ladies' Day and in tournaments.

The LGA Board works for its members, and our purpose is to increase interest and participation in women's golf and to regulate and coordinate ladies' golf activities at the Hammock Dunes Club. We encourage you to communicate with the Board regarding any suggestions or recommendations to assist us in fulfilling this purpose.

One of our goals is to increase Wednesday, Ladies' Day play. Our participation has been low despite the valiant efforts of Maureen Villiotte, LGA Ladies' Day Chair. Maureen spent countless hours talking with members and implementing new games and pairings. An email is sent to all HDLGA members weekly asking if they want to sign up. Simply click yes, and that is all it takes; you are signed up for play. If you are not receiving this email, please get in touch with the golf shop. Ladies' Day is a great way to meet new members, play different formats and enjoy the social aspect of golf.

Summer has no formal scheduled tournaments until Opening Day currently scheduled for October. Summer season is a great time of year to break down your swing and make improvements. Reach out to one of our golf professionals to tune up your game.

For those of you staying in the area, I look forward to seeing you out on the course! If you are gone for the summer, hurry back, we miss you!

Happy summer everyone.....stay cool and hydrated!

Hot Shots...

- JOHN MARIN - Scored an Eagle on #16 at the Links Course

- DIANE STENCLIK - Scored an Eagle on #5 at the Links Course from the red tees
- MARGARET CONDIT - Scored an Eagle on #14 at the Links Course from the red tees

Golf News

News from the Golf Shop..

The summer heat and afternoon thunderstorms are upon us everyone! As we mentioned before, remember to stay hydrated out there, pay attention to the heat indexes, and find a safe place to hang out at during any weather warning.

The Creek project is coming along, and it has been fun to go over there a few times and spend time with the architect from Rees Jones Inc. and see what goes into reconfiguring a green complex and surrounding areas. Both Gina and I were able to spend time with him as well as both Matt Howes and Matt Jones from our maintenance team on the re-design of holes #7 and #12. We think the improvements and re-design will turn out great!

We have also recently added Golden Ocala to our reciprocal list. As with the other clubs in our program, all reciprocal times will need to be made by our staff on your behalf and if you choose to go play one of the reciprocal courses, you will pay with credit cards upon your arrival. Golden Ocala's reciprocal rate is \$85 per player.

We hope everyone is enjoying the iced towels on the course during these hot summer rounds. Please remember to not put your hat, personal towel, or any other object into the coolers to wet down. (175) The coolers are conveniently located near our comfort stations and afford you the opportunity to wash your hands before going into the coolers.

We look forward to continuing to see those of you who have stuck around for the summer and for those up north, we hope you are enjoying your summer season! As always: repair your ball marks, fix your divots and play well play fast, play poor play faster!!

Matt Stewart PGA – Director of Golf

Lightning Detection Policy / Procedure

Members are expected to exercise reasonable prudence and common sense when severe weather, e.g., thunder or lightning, is reported or observed in the area.

Both golf courses have sirens that will sound to notify all members on the golf courses, practice facilities, croquet lawns, pool and tennis facilities that dangerous weather is in the area. Immediately upon hearing the siren sound (one long blast), all members must leave their outdoor activities and seek appropriate shelter.

The siren will sound again (three short blasts) when it is safe to resume to outdoor activities. Members who fail to exercise prudence and common sense by evacuating the golf course when lightning is observed or reported, may be subject to Board discipline.

The golf course weather feature on the Club App is available to all members and will indicate when it is safe to resume outdoor activities.

Nine-Holers

Submitted by Susan Kolka

Ladies Day Wednesdays continue to be a draw for our nine hole golfers. It's great to see so many of you signing up for golf. With only the Links course available this summer, pace of play is essential for all golfers. Please be at the first tee prior to your tee time. This will allow you to tee off as soon as the group in front of you is a safe distance away. Second, be ready for your next shot. We are playing ready golf!

Reminder, a new shirt has been selected for the Hammock Dunes Coastal Niners. If you did not order your shirt in June and plan to play with this group, please contact me.

Enjoy the beautiful weather.

Croquet News....

And the Games roll on.... the heat rolls in but the balmy ocean breezes call us to play Croquet... the Game for all seasons.

Rolling Back: In June we celebrated “National Croquet Day” combining it with First Friday to meet, greet and welcome new Hammock Dunes Club members and guests. We dressed festively to enjoy playing Croquet and to honor National Croquet Day with Clubs throughout the country! To play Croquet is to experience a Game unto itself - challenging, fun and satisfying all rolled up into the perfect afternoon. Thanks go to Diane Leifer for planning a cheese platter and wine to toast the Game to play....Croquet!! We also say thanks to Don Finch for directing Golf Croquet.

Rolling Ahead: “Summer time and the living is easy”. Just enjoy the play. Look for emails advising of upcoming events.

*Ballet at
Hammock Dunes Club*

**Wednesday, July 19
from 4-6 p.m.**

*Leo Delibe's Coppélia
The Royal Opera House, 2019*

With our opera series on summer break, it's time once again to enjoy a ballet starring two of the world's top dancers. Although Coppélia calls for comic flair, it is also demands classical rectitude and dazzling technique. Argentinian-born Marienella Nuñez and Russian-born Vadim Muntagirov embody this duality in spades.

Swanilda (Nuñez) is engaged to Franz (Muntagirov), but he is enamored of a young "woman" who sits on the balcony of Dr. Coppélius's house. In fact, the young woman is a doll whom the doctor is trying to bring to life. With the aid of her friends, Swanilda sneaks into the doctor's workshop to fight for her beloved. Love is tested and ultimately triumphs to the tunes of Delibe's beautiful score.

All are welcome. The program will begin promptly at 4 p.m. in the Board Room. There will be two 10-minute intermissions, and it will end at 6:15 p.m. Please remember to arrive early and enjoy a glass of wine or champagne before. As always, after the final curtain falls and the applause dies down, please consider staying for dinner.

Presented by Jinny Crum-Jones and Ian Jones in association with Barbara Arzonetti.
